

**Declaration of Intent
To join
Thailand's Private Sector Collective Action Coalition against Corruption (CAC)**

..... hereafter referred to as the "Company" declares that it has intention to join Thailand's Private Sector Collective Action Coalition against Corruption (CAC) in order to take parts in the Thai business sector's attempt to tackle corruption problem.

By this Declaration of Intent to join CAC, the Company is committed to the following:

1. Comply with CAC's criteria to seek certification from CAC Council within 18 months timeline, starting from the declaration date.
2. Support the expansion of clean business network by persuading trading partners, industry peers, and other stakeholders to join CAC.
3. Support improvement of public service efficiency, to enhance transparency in giving and receiving public services as well as engaging in transactions between the public and private sectors.

The CAC Principles stated in the attachment are considered part of this Declaration of Intent and all its contents will bind with the Company. I, as representative of the Company have read and understand the contents of this Declaration of Intent including all attachments and hereby signed.
